The Ryan Cameron Foundation Partners With Aetna To Address National Youth Health Concerns

-Foundation To Host Second Annual Health Strong and Live Long Free Youth Health Fair

ATLANTA (September 24, 2009) – The Ryan Cameron Foundation (RCF), a youth centric not-for-profit 501 © (3) organization, has partnered with the Aetna Foundation for the second consecutive year to raise awareness about the nation’s leading youth health concerns. The RCF’s **Healthy, Strong, Live Long Free Youth Health Fair** will provide free health screenings and testing services for the youth of Atlanta. The event will take place on Saturday October 24, 2009 and will broadcast live on V103 Atlanta the People’s Station from the Gallery at South Dekalb between the hours of 11:00am and 3pm.

The RCF’s **Healthy, Strong, Live Long Free Youth Health Fair** will serve as an educational forum to encourage healthy lifestyles and provide helpful resources for Atlanta’s youth. The Atlanta West Primary Care Associates will be on site to provide preventative health services for Diabetes, Sickle Cell Anemia, Blood Pressure, High Cholesterol, Body Mass Index (BMI), Blood Glucose, Asthma, Vision, and Dental awareness. The event will also include an educational presentation hosted by the highly acclaimed **Hip Hop Docs** who were featured on The Ryan Cameron Show during Hip Hop Doc Week.

“We are ecstatic to have yet another opportunity to raise awareness about some of the most prevalent health issues plaguing our youth. This event is intended to educate, equip and empower Atlanta’s youth with the resources to combat some if not all of these health issues. We look forward to future opportunities to provide additional health and educational resources to the community,” commented Ryan Cameron, Founder of the Ryan Cameron Foundation.

“We appreciate the continuous efforts of The Ryan Cameron Foundation to raise awareness about the importance of youth health. The key aspect of this event is the

preventative approach to educate youth about their opportunity and personal ability to lead healthier lives,” said Molly J. Coye, M.D., CEO of the Aetna Inc.

In addition to free health screenings and testing the RCF’s **Healthy, Strong, Live Long Free Youth Health Fair** will provide individual health consultations for all of its youth attendees.
