**From Bankhead to Buckhead —The Ryan Cameron Foundation presents
Dental Day for the B-TEAM
Saturday, Aug. 12, 2006 10:30 a.m.—12:30 p.m.**

ATLANTA—Aug. 9, 2006—VWEE V103–FM radio personality Ryan Cameron has joined Dina J. Giesler, D.D.S., M.A.G.D. and friends to provide dental service to the B-TEAM, a youth organization aimed at reducing violence in the Bankhead community. The B-TEAM will receive the royal treatment with Dr. Giesler and her experienced dental team this Saturday, Aug. 12, from 10:30 a.m.–12:30 p.m. at her boutique-like private practice located at 4405 Northside Parkway, Suite 110 in Atlanta.

The B-TEAM (Bankhead—Teens Encouraging Action by Motivating Others) is a self-organized group of teenagers, who have decided to take a stand against violence in the Bankhead community. Their mission is to dispel the negative images associated with the Bankhead Courts neighborhood, be a voice for the perceivably voiceless, support each other and motivate their peers. The group has successfully sought the support of the Atlanta Housing Authority and is now an official Bankhead Youth Council.

The Ryan Cameron Foundation recently formed an alliance with the B-Team to provide them with leadership instruction, guidance and auxiliary support. The B-Team will be the first students to benefit from the Ryan Cameron Leadership Academy and will be deemed ambassadors of the RCF. Through the it's four annual events, the RCF will lend proceeds toward the Leadership Academy's pilot program (to kick off in 2007), in addition to its ongoing grants and scholarships.

About the Ryan Cameron Foundation

The Ryan Cameron Foundation is dedicated to programs and organizations that create opportunity and increase awareness of the cultural and community issues among young people, specifically in sports, recreation, health and homelessness. Founded in 2002, The RCF is a not-for-profit 501(c) (3) organization; however its efforts began over a decade ago. The RCF was established to provide Atlanta's youth with the tools needed to empower them for their future leadership roles. The RCF looks to do so by providing a forum, which includes mentoring, tutoring, volunteer opportunities, celebrity appearances at events, grants and scholarships. Ultimately, the RCF will accomplish this via its leadership academy that will serve Atlanta's youth. And as it approaches that task, the RCF has partnered with the Atlanta Housing Authority on this vision and will kick off a pilot program by 2007.

About Dr. Dina J. Giesler

Dr. Giesler is committed to excellence in dentistry. She is a Fellow of the Academy of General Dentistry, a rare distinction achieved by fewer than three percent of American dentists, and an Active Member in the American Academy of Cosmetic Dentistry, the American Dental Association, and the Georgia Dental Association. She is deeply committed to continuing education, attending over 100 hours of advanced courses each year. Dr. Giesler has been involved in the profession of dentistry since 1980. After graduating from the University of Texas Dental School in Houston, she completed a hospital residency program at the Oklahoma Medical Center. She received extensive training in treating medically compromised children and adults. She also served a one-year commitment in the Public Health Service in Plainview, Texas.

Dr. Giesler has completed her mastership training in the Academy of General Dentistry and will be granted Mastership award in August of '06 in Denver, Colorado. This is the highest and most prestigious award that a dentist can achieve. Fewer than one percent of dentists achieve this status. There are only two female master dentists in the state of Georgia at the present time, and it has taken her over five years to achieve this accomplishment. Her pursuit of excellence definitely sets her practice apart. She is married to John H. Giesler, M.D. and has three children.
